

Tuberculosis Laboratory Biosafety Manual

33801 **Author:** World Health Organization

Publication Date: 2012

Format: Manual

Physical Description: 60 p.: col., ill.; annexes, gloss., refs., tables.

Language: English

Abstract:

The recommendations in this manual are based on assessments of the risks associated with different technical procedures performed in different types of TB laboratories. The manual describes the basic requirements for facilities and practices, which can be adapted to follow local or national regulations or as the result of a risk assessment.
